

2019 Recycling Newsletter

2018 was an eventful year. We continued to host 3 events at Lepage & Sons Facility. By bringing some recycle events to Lepage & Sons, we are able to cut down the costs to the city. As a result, we're able to provide more opportunities to recycle for you! We will continue to work with Lepage & Sons for the 2019 recycling season.

Anoka County Recycling App!

Did you know that Anoka County has a recycling app? Be sure to download the app for free! Just type in the item you want to recycle and the app will give a list of locations where you can drop off your item.

Have a Recycling Question? Have something at home you want to recycle and not sure how?

Contact Public Works and we'll be happy to help you! You can also stop by Public Works and pick up a Recycling Guide from Anoka County!

St. Francis Public Works

763-233-5200

We want to send a big thank you to the volunteers that help out at our recycle events throughout the year. Without their help, we would not be able to have as much success as we did in 2018. Our volunteers helped out at all our recycling events and Pioneer Days. Thank you to the Knights of Columbus #9585 and Scouts Troop 511!

Recycling Curbside

Paper	Glass	Metal	Cartons	Plastic
